Service Schedule

Our nursery is staffed and available during Sunday services for children ages birth through 3 years. Please remember that children must be dropped off and picked up by an adult in the south Childcare wing. The Cry Room in the back of the Sanctuary is a quiet place for a parent to take an infant or toddler (through age two) and still be able to listen to the service.

Outreach

Jail Chaplains ~ September Outreach of the Month Lives being Repurposed

Jail Chaplains has people engaging from 20 different churches in Living Free, including several from right here at Calvary. The goal is to guide people struggling with life controlling problems to faith in Jesus. May 1st at Dakota Medical Foundation 60 men and women were honored in a celebration of their completing 30 hours of Living Free training. Shawn & Misty, two of the participants, shared their stories, and explained what their lives had been like in the past.

“Drugs took everything away from me in a matter of minutes it seems like,” Misty said. “There’s a point where you just decide you don’t want to do it anymore but you keep doing it. It’s that point when you realize, ‘Oh my, gosh I have a problem and I don’t know how to fix it.’” “I did Meth,” Shawn, her husband added. “I disconnected from my whole family. I have five kids and I gave my kids to my mother-in-law. I almost lost my house.”

This was Shawn and Misty’s reality before turning to God and eventually Living Free, a small group program that encourages participants to look to Jesus rather than the things they were addicted to.

“The Living Free Insight group that I completed was about life controlling problems, whether it’s control issues or overeating or smoking cigarettes or doing drugs,” Misty said. “Everybody has something and it unified us all together.”

Now the duo says Living Free and their faith have completely turned their lives around.

“There were times when I wanted to die and I can’t believe it now because there’s so much life to live,” Misty said. “Turn to God, turn to somebody you trust, come to Living Free, go to church, ask somebody for help. There’s so much help out there.”

“It’s something about when you go to jail, you have nothing and you’re at the worst you can possibly be and Jail Chaplains comes in there gives you a free Bible and tells you that someone cares about you,” Shawn said. “That does so much for a person that someone who’s never been arrested can never understand.”

Thanks Calvary family for your faithful partnership with Jail Chaplains! Your financial support, prayers and the volunteer hours invested by several in your fellowship are making a difference for eternity.
