# Service Schedule

*Our nursery is staffed and available during Sunday services for children ages birth through 3 years. Please remember that children must be dropped off and picked up by an adult in the south Childcare wing. The Cry Room in the back of the Sanctuary is a quiet place for a parent to take an infant or toddler (through age two) and still be able to listen to the service.*

# Outreach

## Stepping Stones (Fraser) February Outreach of the Month

Greetings from Stepping Stones Resource Center! Summer is in full swing at SSRC and we've already taken advantage of the sunshine to host a picnic, kickball, and soon a basketball game. The youth had a great time grilling out .

Our summer months so far have seen some great success stories with our youth. One young man who came in during our extended hours and spent time at our Transitional Living Program house has called in to report that his full time job is going well and he has bought his first car! Another former tenant who utilizes SSRC frequently moved into her own apartment and with the help of Case Management at SSRC and now has a home of her own, all ready for the baby she's expecting in September.

We continued to give out plenty of clothes, food, baby items, and household goods to area youth, and both of our housing programs are full. Several of the tenants at our Permanent Supportive Housing Program, the Butler House, will be starting classes this fall at area colleges; even though we are still in the heat of summer, many are already gearing up for and anticipating fall!
