

## Discussion Questions

### “UNashamed of the Biblical Worldview: Kingdoms”

1. Why does Satan want our worship?
2. Satan desires our worship. As Christians (and personally), how do we compromise (render worship to Satan) in exchange for the splendor of this world?
3. Jesus' kingdom differs from Satan's kingdom. What are the characteristics of government, cultures, and systems that 1) reflect the Kingdom of God? 2) reflect the Kingdom of Satan?
4. As Christians (and personally), how do we discern what in our lives we should we render unto Caesar (the world)? what we should render unto God?
